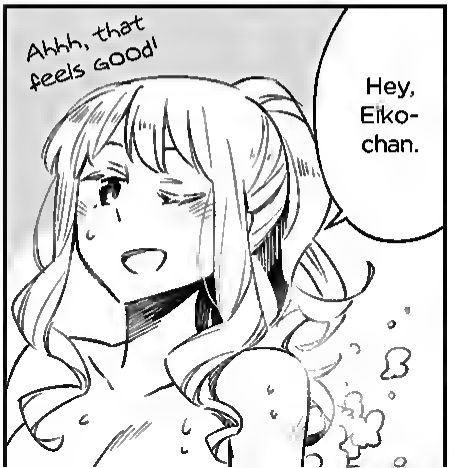
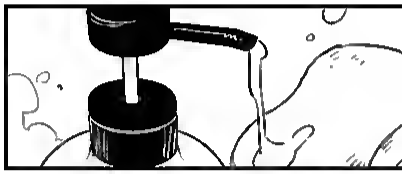
Eeehh ??
C'mon, I'll wash your back!
O-Onee-chan!! Don't just charge in while I'm bathing!



Ahhh, that feels GOOD!
Hey, Eiko-chan.



How'd you like that "against the wall" plan I came up with earlier?
Pretty brilliant, right?

So, how was it? Did your heart leap out of your chest? I bet you were turned on!
N-Not particularly!
Don't lie~! Your face is beet red!
Th-that's just from the heat!
Ohh?

... Hey, Eiko-chan You've never gone out with someone before, have you?
And that's why, despite your feelings, you keep tripping yourself up?
Th-that's none of your business!
And it's not like you've ever gone out with a guy either!
Eh!?
Huh?
Yes I have?

...

If I actually put my heart into a **serious confession**, even that good-for-nothing teacher wouldn't stand a chance against me.
And let me just tell you..

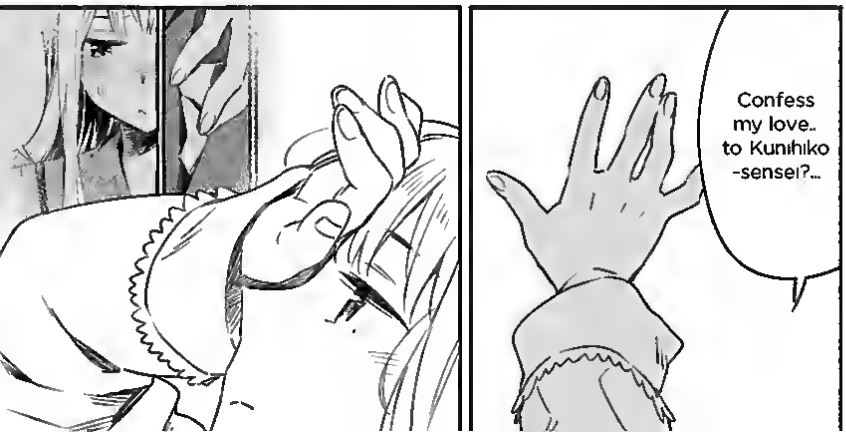
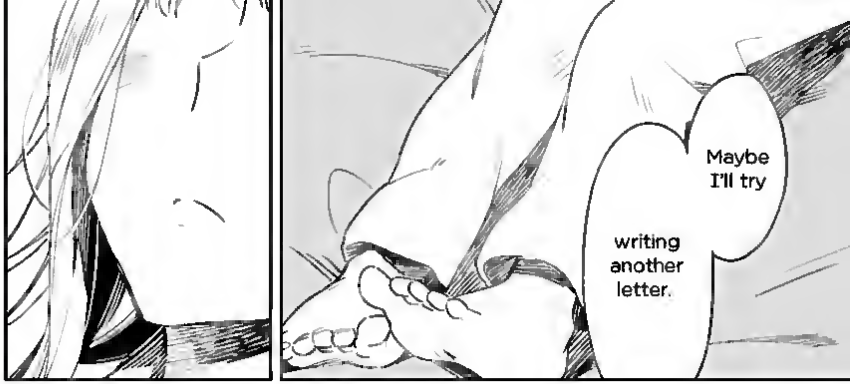
Fufu
Ju~st kidding!
Gotcha~!

EIKO



Confess my love.. to Kunihiko -sensei?...



Maybe I'll try
writing another letter.

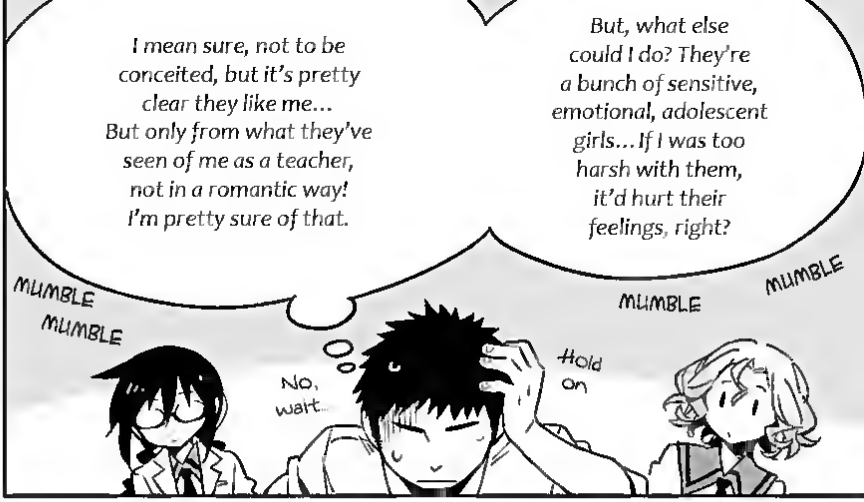
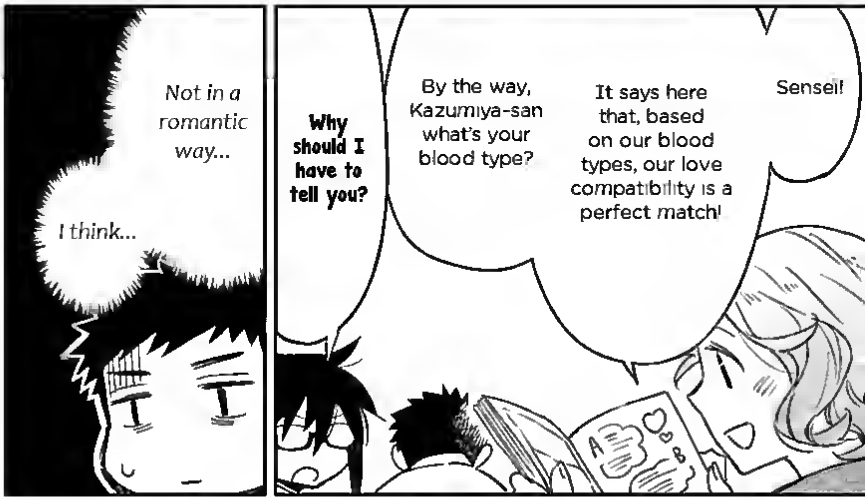
I'll admit...
Maybe I've been too soft...

Sensei, today I brought



I mean sure, not to be conceited, but it's pretty clear they like me... But only from what they've seen of me as a teacher, not in a romantic way! I'm pretty sure of that.
But, what else could I do? They're a bunch of sensitive, emotional, adolescent girls... If I was too harsh with them, it'd hurt their feelings, right?
MUMBLE MUMBLE
No, wait...
Hold on
MUMBLE
MUMBLE



Not in a romantic way...
I think...
Why should I have to tell you?
By the way, Kazumiya-san what's your blood type?
It says here that, based on our blood types, our love compatibility is a perfect match!

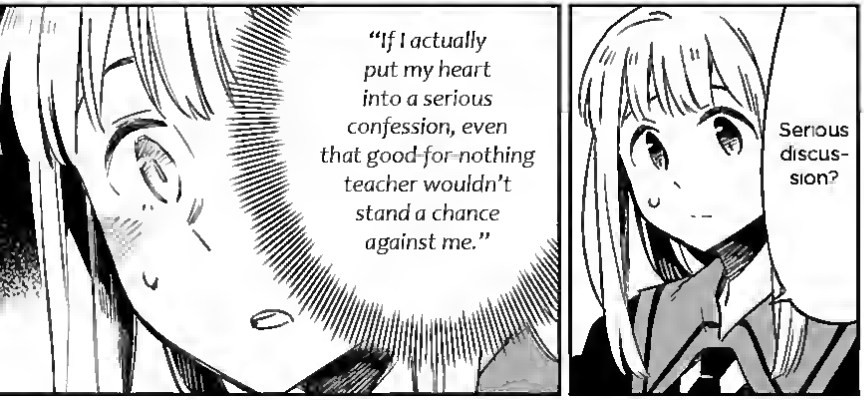
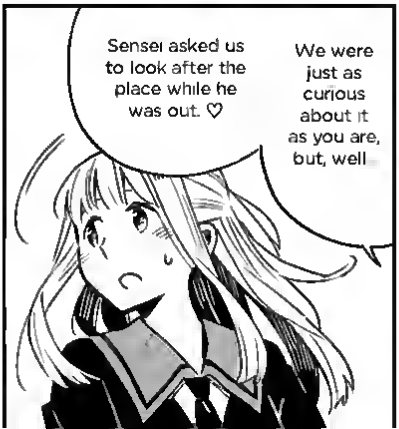
Kurihara-san.
Um... Where's Sensei?
He just stepped out, along with your sister.
She wanted to have some sort of serious discussion with him, I believe?



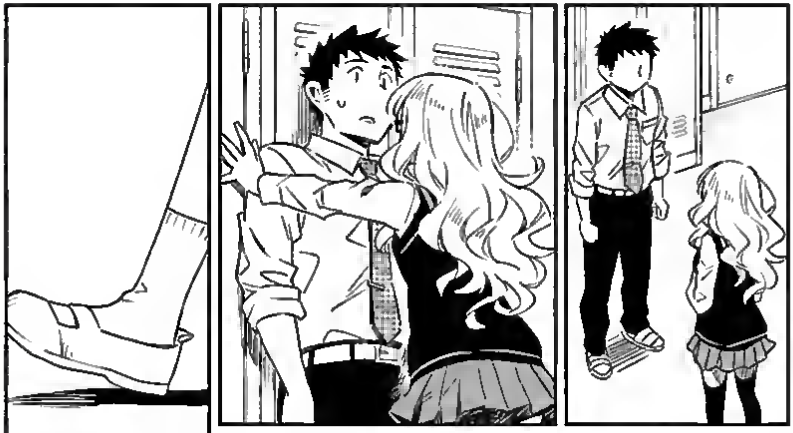
Serious discussion?
"If I actually put my heart into a serious confession, even that good-for-nothing teacher wouldn't stand a chance against me."

Um... Do you have any idea where they went?
SLIDE
Who knows...



We were just as curious about it as you are, but, well...
Sensei asked us to look after the place while he was out. ♡

Onee-chan..
You wouldn't...



Hi~, Eiko-chan! ♡

Onee-chan... Where's Sensei?
What's up? You seem to be in a hurry.

.....
Aah.
He already went back. Looks like you just missed him.
When he was here, um...
What did you say to him?
Mmm? Oh~, that's a good question!
What did we talk about? What did we *not* talk about?
.....
I was wond-ering... If, maybe..
You, um.. confessed to him?.. Or some-thing?..
What's it to you?

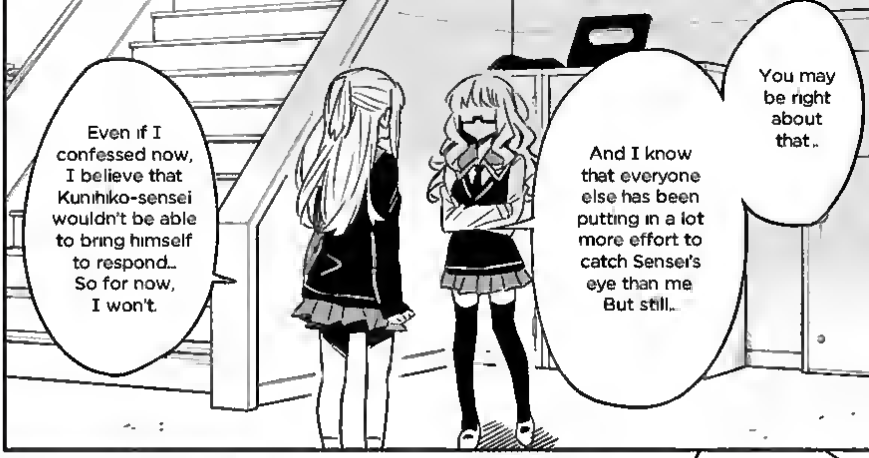
Who knows, ma~ybe I did! ♡
.. Or Maybe...
.....
If you really want to know so badly?
Why don't you go ask him yourself?
to want to go find out?
You don't love him enough

I DO LOVE HIM
AND YOU KNOW IT!!

Kunihiko-sensei is a very important person to me!
So please, stop jerking me around!

Something like a confession of love is no big deal for you, is it?
You get along with Sensei, you can talk with him naturally...
To be honest... It makes me jealous.

That's something... I can't do yet.
.....
Don't you think that wishy-washy attitude might be the exact reason why you keep getting beat to the punch like this?



You may be right about that...
And I know that everyone else has been putting in a lot more effort to catch Sensei's eye than me But still...
Even if I confessed now, I believe that Kunihiko-sensei wouldn't be able to bring himself to respond... So for now, I won't.

That's just the kind of guy he is
And that's why I fell in love with him.
